Mum Cuttings Now!

MR. GROWER:

June 10, 1955

Cuttings on this list, if ordered at once, will reach you the week of June 27. Mums direct benched June 30, black cloth shaded, will flower October 6 (single stem) or October 20 (pinched). Any of the 9 or 10 week varieties on this list can be grown on these schedules:

Single Stem
June 30 Plant direct 6 x 4 in.
July 28 Start shade
Oct. 6 Flower

Pinched
June 30 Plant direct 7 x 8 in.,
3 stems per plant
July 14 Pinch (high)
Aug. 4 Start shade
Oct. 20 Flower

The 8, 9, and 10 week varieties can be planted this week to flower without lights or shade cloth (normal season). They will flower from October 15 to November 12. Don't let this fall go by without Mums.

This week's "Ball Mum Special" is a self-mailer—just fill in the varieties and quantities, etc., refold so the GEO. J. BALL address is exposed, fasten with staple or scotch tape, and drop it in the mail. We pay the postage. Your check may be enclosed, too, by fastening around the edges with staples or tape. Mail today so you won't get caught short without Mums this fall.

GEO. J. BALL, INC.

Cuttings listed below are offered subject to prior sale at prices and other terms as outlined in our 1955 Ball Mum Guide. Minimum order 300 cuttings; minimum of any one variety, 50 cuttings.
